About the **NAIROBI INTERNATIONAL TRADE FAIR**

The Agricultural Society of Kenya (A.S.K), in collaboration with the Government of Kenya and various agencies, including the Ministry of Agriculture and other government departments, proudly presents the Nairobi International Trade Fair (NITF). This seven-day annual exhibition serves as a vital convergence point for trade, commerce, and the exchange of knowledge within the agricultural sector.

NITF draws the participation of over 500 exhibitors engaged in agri-business and interdependent services, ranging from insurance, finance, regulators, and innovators to logistics, energy, security, and research. The event garners an impressive average attendance of 500,000 visitors.

The President of Kenya has consistently honoured the role of Patron for the Agricultural Society of Kenya (ASK), acknowledging its significant socio-economic contributions.

Hosted at the Jamhuri Park Show grounds, a mere 10km from the Nairobi Central Business District and surrounded by the scenic Ngong Forest and major shopping malls, NITF provides a strategically located venue. Accessibility is seamless, with over five entrances (gates) accessible by both public and private transport.

Our exhibition space caters to diverse needs, offering both permanent and semi-permanent structures as well as open spaces. The venue features well-manicured open lawns, providing a serene environment ideal for outdoor exhibitions.

To enhance the exhibitors' experience, we have forged partnerships with both government and private agencies. Through these collaborations, we offer facilitation for various services, including:

- ✔ Work permits and migration assistance, available upon request through the Ministry of Foreign Affairs.
- ✔ Logistics services, including courier services, customs clearance, and forwarding, facilitated by the Postal Corporation of Kenya (PCK).

WHY EXHIBIT WITH US

Tailored Exhibition Center

Our exhibition center is designed to cater to your specific needs, offering customizable spaces ranging from structural setups to open spaces allocated based on your demands and specifications. This flexibility allows for outdoor displays and events, giving you the freedom to create a setup that aligns with your preferences, including the option to erect tents.

Recreational Facilities

For a family-friendly atmosphere, we provide space for recreational facilities, ensuring an enjoyable experience for both exhibitors and visitors. From children's play areas to entertainment options like horse riding and swings, we create an environment that appeals to all.

Diverse Eateries

Our exhibition venue features eateries with attractive cost structures, accommodating everyone from small to medium and high-end hotels. These facilities are available for hire, ensuring that a variety of dining options are accessible to both exhibitors and attendees.

A Platform for All Sector Players

The exhibition ground is a convergence point for all sector players, from farm input to processing. This unique setup provides an excellent opportunity for collaboration in agri-business. It's a space where industry stakeholders can showcase their offerings and establish valuable connections.

Learning Institutions Engagement

We welcome learning institutions to participate, facilitating the sharing and borrowing of expertise, knowledge, new technologies, and exposure. This collaborative environment fosters educational exchanges and promotes the latest advancements in the industry.

Dedicated Livestock Exhibition Area

A designated area is reserved for both local and international livestock farmers/breeders to exhibit. The conducive environment supports feeding and other essential activities. This creates opportunities for agro-veterinary manufacturers, dealers, and learning institutions to interact directly with their target market.

SECTIONS OF THE NAIROBI INTERNATIONAL TRADE FAIR

Agri-Tech and Innovation Hub:

This section serves as a nexus for agricultural technology and innovation, showcasing cutting-edge solutions transforming farming practices. Exhibitors present precision farming tools, biotech breakthroughs, and sustainable agriculture innovations, fostering a dynamic environment for technological advancement in agriculture.

Business Nexus and Technology Showcase:

This segment is a vibrant hub for trade, B2B interactions, and the unveiling of disruptive technologies across industries. Companies exhibit groundbreaking products and services, forging strategic partnerships and driving innovation forward in the global marketplace.

Culinary Delights and Family Entertainment Zone:

Explore a world of flavor and fun in this lively area, featuring an array of culinary delights, engaging activities, and entertainment for the whole family. From tantalizing food and beverage offerings to interactive games and entertainment performances, there's something for everyone to enjoy.

Farmers' Oasis and Livestock Pavilion:

Step into the heart of agriculture in this dedicated space, where farmers and livestock enthusiasts converge to celebrate the richness of farm and dairy produce, as well as the diversity of livestock breeds. From farm-fresh delights to prized livestock showcases, discover the essence of rural life and agricultural excellence.
